One Truth Remains Certain

God so Loved the World That He Gave His Only Son
Mully Children's Family 2020 Christmas Wishes

Beginning with that first Christmas more than 2000 years ago, this season around the world has served as a special time for expressing our love for one another.

We show and share our love for family and friends in several different ways such as festive gatherings, exchanging gifts, sharing a meal, greeting cards and other cultural customs and traditions.

As has become our tradition, MCF presents our 2020 Christmas Wishes using the favorite Christmas Carol, The Twelve Days of Christmas also known as Twelvetide. Twelvetide is a festive Christian season celebrating the nativity of Christ. In the song Christmas Day is considered The First Day of Christmas and the twelve days are represented by a growing number of generous gifts from December 25th through January 5th.

How will you choose to share your love and generosity this Christmas?

We invite you to join us in celebrating A Special Mully version of The Twelve Days of Christmas by supporting Our MCF Children, Our MCF Community Outreach and/or one of the MCF Sustainability Initiatives.

So, let's get started:

This is especially prevalent in the coastal region of Malindi. Malindi is also home to MCF's newest Girls Rescue Center. Giving **the gift of nine jiko stoves** to families
within the area communities

Why your gift of \$180 makes a difference ...

How MCF loves does not stop at their borders, but MCF lives out loving their neighbors daily. The three-stone fire pit is very common in cooking meals in the poorer communities. The house air pollution that is emitted from these traditional open fires between 3 rocks is a risk factor for respiratory diseases and the leading cause of death for children under 5 years of age. The jiko stoves reduces the amount of fuel needed to cook while at the same time dramatically reduces the air pollution within the home.
