

Mully Children's Family 2021 Christmas Wishes

Beginning with God's loving gift of his only Son to the world more than 2000 years ago, Christmas around the globe has served as a special time for expressing and sharing Love for one another.

As has become our tradition, MCF presents our 2021 Christmas Wishes using the beloved Christmas Carol, "The Twelve Days of Christmas".

Through an incredible act of love and generosity from one of our donors, your gifts to the MCF Christmas Wishes this year will be matched up to \$500,000.

Will you celebrate Christmas with MCF by sharing your love and generosity? Your gift will help to unlock the matching funds and will double your impact and double your love!

We invite you to join us in a special version of The Twelve Days of Christmas by supporting: Our MCF Children, Our MCF Community Outreach and Our MCF Sustainability Initiatives.

Let's get started:

3000 Old Alabama Road • Suite 119-302
Alpharetta, GA 30022-8555
www.mcfus.org/donate

On the First day of Christmas support our MCF Children by ...

Giving **the gift of one bunkbed**
to MCF students to help them enjoy a
proper night's sleep.

Why your gift of \$400 makes a difference ...

MCF continues to rescue over 500 children each year. With this increase comes the need for more beds. Your gift enables MCF to provide a new bunkbed for 2 children, and to ensure that they will enjoy a good night's sleep for their developing bodies.

1 Bunkbed \$400

On the Second day of Christmas support our MCF Children by ...

Giving **the gift of two school desks**
to enable two MCF students the opportunity
to excel in their studies.

Why your gift of \$100 makes a difference ...

MCF has six campuses providing free education for children. Because of MCF's continued growth, often it is necessary for two or more students to share a single desk. Where children can have one desk rather than sharing, concentration and performance are always enhanced.

2 Desks \$100
1 Desk \$50

On the Third day of Christmas support our MCF Children by ...

Giving the gift of three sets of blankets,
bedsheets and mosquito nets
for three MCF children.

Why your gift of \$90 makes a difference ...

With the growing number of children each year,
there comes the need for more beds and with
more beds the need for blankets, bedsheets and
mosquito nets. Your gift provides the essentials
for 3 children's beds.

3 sets \$90
1 Set \$30

On the Fourth day of Christmas support MCF's Community Outreach by ...

Giving **the gift of four goats**
to share between two community families.

Why your gift of \$280 makes a difference ...

Sharing love at MCF does not stop at our property lines. MCF reaches out across the neighboring communities to offer a helping hand to families in need. The goats will provide milk for the family and a source of income when the pair of goats have offspring.

4 Goats \$280
1 Goat \$70

On the Fifth day of Christmas support our MCF Community Outreach by ...

Giving the **gift of feeding five vulnerable families** who might otherwise go hungry.

Why your gift of \$150 makes a difference ...

Kenya's present national drought disaster has placed the already fragile food supply in greater scarcity. MCF has long worked within the surrounding communities to provide basic food provisions such as maize, rice, beans and fresh vegetables to the most vulnerable families, including the elderly, widowed, and disabled. \$30 of food can mean one family will receive at least one meal per day for several weeks.

5 Families \$150
10 Families \$300

On the Sixth day of Christmas support our MCF Children by ...

Giving **six teens** the gift of feminine hygiene products for a month.

Why your gift of \$90 makes a difference ...

MCF provides feminine hygiene products to more than 800 teen girls who live on the Yatta and Ndalani campuses. In addition, MCF provides more than 20 neighboring schools protection for their teen girls so that girls can attend school rather than stay home when they do not have the necessary protection.

6 Teens \$90
2 Teens \$30

Double
your **LOVE**

On the Seventh day of Christmas support MCF's Teen Girl Rescue Program by ...

Giving the gift of a **plate and drinking cup** for **7 teen girls** who have joined MCF Malindi.

Why your gift of \$56 makes a difference ...

Malindi is located on the coast of Kenya and is often recognized as a tourist destination. The tourism has brought high levels of sex trafficking and child prostitution to the area. MCF was fortunate to acquire a former children's home in the area and has worked over the past year to convert the property into a girl's rescue center. Upon completion, the facility will provide a safe refuge for the young girls to heal and learn life skills. They arrive with nothing. Please help provide a means for taking their meals.

7 Girls \$56
14 Girls \$112

On the Eighth day of Christmas support MCF's Sustainability Initiatives by ...

Giving the gift of 8 days of organic feed to help sustain 100 chicks.

Why your gift of \$120 makes a difference ...

MCF is nearing completion of two major poultry houses on the Yatta campus. Each house has the capacity to hold up to 40,000 birds. When operational, this initiative will provide significant revenue towards our sustainability. On average, it costs about 15 cents to feed one chick per day with organic feed.

8 Days \$120
4 Days \$60

On the Ninth day of Christmas support MCF's Community Outreach by ...

Giving the gift of 9 large bottles of life-saving Antibiotics which serve the MCF children and the surrounding communities.

Why your gift of \$540 makes a difference ...

Many of the children MCF rescue come suffering from malnutrition and other critical medical issues. The staff at our medical clinics work closely with the child to return them to proper health. Our medical clinics go beyond serving just MCF children and serve as the frontline healthcare facility for the surrounding communities. Antibiotics are just one of the critical medicines MCF purchases on a monthly basis.

9 Bottles \$540
5 Bottles \$300

On the Tenth day of Christmas support MCF's Sustainability Initiatives by ...

Giving **the gift of ten liters of diesel fuel**
to run the farming equipment.

Why your gift of \$50 makes a difference ...

MCF has long promoted efforts toward increasing our self-sustainability. MCF has more than 300 acres of farmland growing over 85% of what the children eat and exporting the excess to local and international markets generating much needed revenue. \$50 of diesel fuel will enable MCF to plow about 2 acres of land.

10 Liters \$50

On the Eleventh day of Christmas support our MCF Children by ...

Giving the gift to **eleven Mully College Students**
of one month's college fees.

Why your gift of \$550 makes a difference ...

Dr. Mulli has long recognized the value of a quality education in the transformation of an abandoned or forgotten child. Education is the great equalizer no matter the child's tribe, creed or background. This is why Mully College was created. Mully College offers both 2 year certificate and 3 year diploma programs. Presently 75 MCF students are studying at Mully College.

11 Students \$550
5 Students \$250

On the Twelfth day of Christmas support our MCF Children by ...

Giving the gift of **12 hand cut stones** to help complete the perimeter wall around MCF Ndalani.

Why your gift of \$300 makes a difference ...

For the past 30 years, MCF Ndalani has not needed a perimeter wall to protect the 900+ children who call Ndalani home, but things are changing. Increased acts of violence in the outside community have given MCF concern over their unprotected perimeter and the need for safeguarding the children within their care. Your gift of stones helps to create a secure environment for the children.

12 Stones \$300
6 Stones \$150

*You may select one or more
of the items or support the
entire wish list for a gift of*

\$2,726.

*St. Christopher's
School*

*Your gift may be made by returning
the enclosed reply card or online
at www.mcfus.org/Christmas*

**Double
your LOVE**

*Double Your Love
Remember your gift will have Double the Impact in 2021 !*

Join MCF In Celebrating Christmas!

Mully Children's Family wishes you and your family a **Mully Christmas** as we lift up our gifts to the one who LOVED US FIRST!
